Dear Parents/Guardian:

The Board of Directors of Camp Ma-He-Tu welcomes your daughter to the staff for the Summer of 2010. She is entitled to time off as listed on her counselor contract.

It is the position of Camp Ma-He-Tu that we cannot assume responsibility for the actions of our staff persons who are minors. Therefore, we must ask you to give your daughter written permission to leave the camp premises while on her time off and assume responsibility for her actions. If there are any restrictions that you feel are necessary, please indicate them below. If you **do not** give your permission, please indicate that below and return the form to me.

Thank you for your consideration. We are looking forward to a successful and rewarding camping season.

Sincerely,

Lynne Steketee  
Personnel Committee
