

# PACKING LIST

## IMPORTANT INFO FOR PACKING

### Important Reminders

- Put your camper's name on everything, **ABSOLUTELY EVERYTHING**, they bring (including bags, trunks and other large items)!
- Though tempting, don't send too much - it makes it difficult for your camper to keep track of everything.
- Your camper should help pack - they need to know where their belongings are and how to stay organized.
- Quantities and suggested items in the Packing List are our recommendations based on 80 years of experience. However, you know your camper best - please pack according to your own camper's needs.

### Laundry

Our laundry facilities are extremely limited and are reserved for "emergency" use only. Campers can do small amounts of hand laundry, but the best approach is to send your camper with enough clothing to get through a two-week stay.

### Things You **MAY NOT** Bring

- Tobacco/Nicotine/Vapes, Alcohol, Illegal Substances/Drugs, or Weapons.
  - Possession of these items is grounds for dismissal.
- Animals or pets
- Anything of value like cash, fine jewelry, expensive cameras, or electronics, etc.
- Please check with the camp for permission to bring personal sporting equipment.
- **VERY IMPORTANT! DO NOT SEND CELL PHONES or CONNECTED DEVICES that connect to Wi-Fi or use cellular data.**
  - If found, these will be confiscated and kept safely in the director's office until check-out day.
- **VERY IMPORTANT! DO NOT SEND ANY FOOD, GUM, CANDY, DRINKS, or SNACKS of ANY KIND.**
- **VERY IMPORTANT! DO NOT SEND ANY TOILETRIES THAT ARE BERRY-SCENTED.**

# PRINTABLE PACKING LIST

\*\* Shoes must be closed at the toe and heel.

\*\*\* Beds are approx. 30" x 75".

^ White swim caps may be purchased at camp for \$4.00

# PARENT PACKING LIST

## for check-in and check-out

We will be continuing our popular drive-through, “**kiss-and-go**” process for check-in and check-out this year. As such, we ask that parents come **prepared with the following items in the FRONT SEAT of the car** to keep the line moving quickly and efficiently – and to eliminate the need for you to get out of your car.

We appreciate your cooperation and preparedness.

### For Check-In

#### Camper Forms

- Camper Health History – Form 1
- Camper Health Recs – Form 2
- Vaccine Response Form
- Copy of Health Insurance Card
- COVID-19 Protocols Agreement
- Camper Release
- Discharge Form\*

#### Medications^

- Prescriptions, vitamins, and over-the-counter meds

#### COVID-19 Documentation

- A copy of documentation of a negative COVID-19 polymerase chain reaction (PCR) diagnostic test performed within the last 72 hours.
- A copy of their completed CDC COVID-19 Vaccination Record Card

#### Canteen Money\*\*

- If you did not pay online, bring your checkbook or cash (around \$50)

### For You / Your Drive

#### Must-Have

- Face masks for everyone in the car
- Directions to camp – there is no cell service!
- Blue or black ink pen
- Hand sanitizer

#### Nice to Have

- Water
- Snacks
- A good playlist!

### Reminders:

**^ Medications** - All medications **MUST** be brought to camp in their **original** packaging. By **LAW**, we cannot administer drugs from plastic bags or pillboxes. The best way to bring your meds to us is to place all medications (in their original packaging) in a gallon-sized Ziplock bag(s) clearly labeled with the camper’s name.

We can NOT administer any medication, ointment, vitamin, or supplement (prescribed or over the counter) without an order from your camper’s licensed medical professional. The pharmacy label and/or parental consent are insufficient. Please refer to our Health Recommendations Form 2 for more details. You do not need to bring generic, over-the-counter medications (like Tums, Tylenol, or Benadryl) as those are stocked in our Infirmary.

**\* Camper Discharge Form** – Everyone must complete the Discharge Form. This form is required for your camper to be checked *out* by someone other than the person who checked them *in*. Per COVID-19 protocol, you or a designee will need to be available to come to camp within 6 hours if your camper is suspected to have COVID-19. Please inform that person to be prepared to present identification at check-out. For your camper’s protection, **no camper will be released to an unauthorized individual.**

**\*\* Canteen** - Please add funds for your camper(s) [online here](#) prior to camp. If you are unable, please bring some cash or a checkbook so we can get the money added at check-in. **Do not leave any money with your camper.**

# HOW TO PACK YOUR CAR

Everyone will remain in the car for the duration of check-in, (except for the camper, of course!) so we ask that you take extra precaution in packing this year to ease this process.

## In the **FRONT SEAT** with you:

You will need the items from the Parent Packing List handy to give to staff during check-in.

- Hard Paper Copy of Camper Forms
- Negative COVID-19 PCR Test Results
- Camper medications (in original packaging)
- Checkbook or cash (if canteen money was not submitted online)
- Directions to camp – we have no cell service!
- Face masks and hand sanitizer
- Blue or black ink pen

## In the **TRUNK** and/or rear drivers-side seat:

- All camper belongings

Staff members will unpack your car and deliver your camper's belongings to their assigned cabin or tent. No more lugging a heavy trunk up the hill!

Please pack your camper's belongings in as few bins and bags as possible. Do not pack any loose items - everything should be packed IN a bin, bag, or trunk. Clearly label every container (and the contents) with the camper's name.

Additionally, staff members will be helping your camper make their bed and set up their spot in the cabin/tent. Please be sure bedding and other bedside items are clearly separated from day-to-day clothing. Make sure your camper helps pack, so they know where everything is!

## With your **CAMPER**:

After your camper exits the car, they may meet other counselors and campers before having an opportunity to unpack in the cabin. Your camper may want to have a small backpack during check-in with supplies to keep comfortable during the transition time.

Your camper may want to include a filled water bottle, sweatshirt or personal fan (depending on the weather), or a hat.  
Do NOT pack food or gum.
